Title: Adaptive Broadband Platforms And Methods Of Operation

RENEWED PETITION UNDER 37 CFR §1.47(a)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Commissioner:

This is a renewed petition for proceeding with the Declaration signed by one of the two inventors, the second inventor refused to sign.

The original petition was filed September 25, 2006 and was accompanied by a Declaration signed by one of the two joint inventors. The petition was dismissed because:

- (1) a deficit in the fees of \$105 must be paid; and
- (2) the letter sent to Mr. Pedersen did not fully identify the patent application that was enclosed in USPS package EQ057152391US.

As to the first reason, Applicant files herewith the deficit in fees.

As to the second reason, Applicant files herewith the Declaration of William Bachand who personally put a copy of application S/N 10/533,696 into the USPS package EQ057152391US, sent that package to Mr. Pedersen, and received that package unopened as returned mail from USPS. William Bachand states that the application that was sent to Mr. Pedersen in USPS package EQ057152391US was a copy of application S/N 10/533,696.

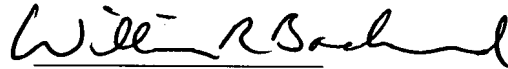

Having met all of the requirements defined in the dismissed petition, Applicant

105.00 OP

respectfully requests grant of this renewed petition.

Respectfully submitted,

Title:	Adaptive Broadband Platforms And Methods Of Operation		

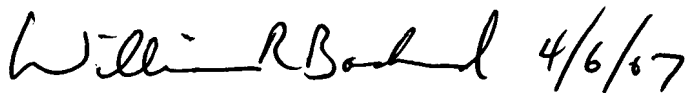

DECLARATION OF WILLIAM R. BACHAND

I, William R. Bachand, do hereby declare and state as follows:

1. On May 3, 2005 I prepared and filed the national phase PCT Patent Application entitled “Adaptive Broadband Platforms And Methods Of Operation” (hereafter, the “present application”) naming Erling J. Pedersen and Roc A. Lastinger as inventors on the Transmittal Letter filed therewith. I retained a true and complete copy of the present application in my files.
2. On August 8, 2006 I personally prepared and personally mailed USPS package EQ057152391US which contained:
 - (a) a letter (copy already of record) to Erling Pedersen asking him to review of an enclosed patent application, to sign an enclosed Declaration, and to FAX back to me the Declaration he signed;
 - (b) a declaration (copy already of record) signed by Roc A. Lastinger that identified the subject matter of that declaration as a United States Application entitled “Adaptive Broadband Platforms And Methods of Operation” that was filed on 11/07/2003 as application number 10/533,696; and
 - (c) a true and complete copy of the United States Patent Application entitled “Adaptive Broadband Platforms And Methods of Operation” that was filed on 11/07/2003, now application serial number 10/533,696.
3. Soon after August 17, 2006, I personally received the USPS package EQ057152391US that was returned to me unopened. I opened that

package and have in my files the entire contents of that package as described above.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or patent issuing thereon.

TRANSMITTAL LETTER

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Commissioner:

Applicant responds to the Decision on Petition mailed February 12, 2007 with the following filed herewith:

Renewed Petition under 37 CFR §1.47(a);
Declaration of William R. Bachand; and
Credit Card Payment Form

The Decision on Petition determined that a deficit of \$105 was due with respect to the filing of that petition. The Credit Card Payment Form filed herewith authorizes payment of that deficit.

Because this response is being filed before lapse of the two month period set for response, it is believed that no fee for extension of time is due. Nevertheless, if an extension of time or any other fee should have been filed with this transmittal letter, Applicant hereby respectfully requests a suitable extension of time and further authorizes those fees to be paid from the account indicated on the Credit Card Payment Form filed herewith. The foregoing statement does not authorize payment of the issue fee.

Respectfully submitted,

Date: 4-6-07
